## 2023 Extended Absence Questionnaire

For individuals who were absent from Alaska more than 180 days for five or more consecutive years.

Your Permanent Fund Dividend application has been selected for an eligibility determination because you have not lived in Alaska for at least 6 months in over five years. In accordance with AS 43.23.008(d)(e) an individual with an absence totaling more than five years is presumed not to have the intent to return to Alaska and remain indefinitely in Alaska. You are not eligible for the 2023 dividend unless you provide documentation that demonstrates, to the department's satisfaction, an intent at all times during your absence to return to Alaska and remain indefinitely.

The department will give greater weight to the claim of an individual who makes frequent return trips to Alaska for noncompulsory reasons than that of an individual who did not. An individual who has not been present in Alaska for 30 cumulative days in the past five years has not demonstrated the continuous intent to return to Alaska and remain indefinitely. As such, that individual is presumed to have severed Alaska residency for PFD purposes and will remain ineligible for a PFD until that individual returns to Alaska to remain and re-establishes Alaska residency.
